Discipline Policy

The Boys & Girls Club strives to keep the consequences for unacceptable behavior clear, appropriate and timely. The safety of all members is of utmost importance to us. Our standards, along with the expectation that all members use good common sense, exist to ensure that your child and every other child at the Club can safely enjoy the Club’s activities. Any member who disrupts programs or creates a dangerous situation will be disciplined appropriately. Members who do not follow rules can expect to lose privileges and face consequences. First-time offenses are never excused as such and will be handled based on their severity. Parents will be called to remove any member who has failed to curb his or her disruptive behavior and/or is behaving in an aggressive or violent manor that creates a dangerous situation for themselves, fellow members, staff or visitors. When a member is suspended, you will be contacted to inform you of the situation and ask you to come and collect your child. In some cases, a suspension report will be mailed to you if the situation dictates such a need. Disciplinary actions may include, but are not limited to, the following. Verbal Counseling, Time-out, Cleaning, Suspension from Program Area, Loss of Club Privileges, Suspension (one day to one month), Indefinite suspension (until the situation can be resolved or the parent/guardian is consulted), Expulsion (i.e., permanent suspension) Contacting the proper authorities. Please note that any time a law is broken in or around the Boys & Girls Club or it is suspected that a Club member or guest has broken the law and fled to the Club to avoid the authorities, the police will be notified immediately. The Boys & Girls Club is NOT a haven or refuge for those committing an illegal act or fleeing the authorities. Members are expected to respond to discipline without incident. Failure to do so will almost always increase any action taken in time or severity. Staff members are trained and fully expected, by policy, to maintain full control of any situation that occurs in their program area and will NOT tolerate anything that threatens that control, in appearance and/or manner. Also, please understand that sometimes the story that gets home is not always the complete or accurate story. Children do sometimes tend to explain an incident in a manner that will not implicate them or cast blame their way. In addition, staff members, though well trained and experienced, are human, so please call the Club if you have any questions at all concerning disciplinary measures or any other Club activity. Your support and involvement as the parent/guardian is vital to our success as youth development professionals.

My child is joining Boys & Girls Clubs of the Highland Lakes with my permission. I understand that the club is an open-campus and not responsible for the time or manner in which he/she may arrive at or leave the club, and that BGCHL is not responsible for injury, medical expense, or loss of personal property while this member is participating in club activities. If, in the opinion of BGCHL staff, my child has a medical emergency, I give my permission for him/her to be examined/treated by licensed medical personnel at my expense. An ambulance may be called if deemed necessary for transportation. I give my express permission for my child to be transported to BGCHL events by club or private transportation. By signing below, I also give my express permission for my child to be videotaped or photographed for publicity purposes. I agree to be financially responsible for any/all club equipment checked out by my child and not returned to the club in a timely manner. I agree to furnish transportation for my child to leave the club before the posted closing time for any given club day. I understand that if a child/youth is NOT picked up before or exactly at closing time I will be charged a \$20 late fee in 15 minute increments up to \$60. I understand that if a late fee has been assisted my child(ren) will NOT be allowed to return to the club until it is PAID IN FULL. I understand that after a child/youth has not been picked 30 up minutes after closing time, and no contact is made with parents, guardian, or emergency contacts, the proper authorities will be contacted. I understand that BGCHL is a drug/alcohol free zone and that persons who violate this policy will be dealt with sternly. I give permission for the BGCHL to make and retain copies of my child’s (or ward’s) report cards and/or progress reports in order to better understand the academic needs of my child (or ward) and to better assist him/her in his/her educational pursuits. I understand that copies made of report cards and/or progress reports will remain confidential and will only be viewed by BGCHL staff. I understand the Club may charge additional program fees including an additional summer program fee. BOYS AND GIRLS CLUB OF THE HIGHLAND LAKES IS NOT A LICENSED DAYCARE. I am knowledgeable of the club rules and will cover them with my child. If my child is suspended for any reason, I will not expect the return of any dues/fees that I have paid to the club. I understand that it is my responsibility to keep my child/rens membership account current. Non payment will result in loss of membership.
